I submit the matter is too small to object the draft may therefore be approved in — though it is observed by Mr Dumbell the pay has been made up at 25 & 25 it should not be 450 per annum as worked

Below)

8 The change in the incidence of pay cannot affect Mr Sastri's emoluments but it seems that he should be given more work in some way or other to justify the whole pay being debited to the General revenues.
